

## BENEFITS OF JOINING WIBN

- WIBN are committed to helping women business owners grow their business.
- You will become part of an organisation that has a good support network of like-minded business women.
- WIBN believe in training our members to become good and effective networkers which helps to maximise your membership.
- You will gain access to additional training, networking events and social events.
- You will be part of an organisation that takes pride in our members' personal growth as well as business growth.
- You will have access to a wider network of contacts by visiting other WIBN meetings where your profession isn't already represented.
- You will have inclusion of your details on the [WIBN website](#) giving you additional visibility for your own business and increased chances at being listed on web search engines.
- You will have an opportunity within your group to promote your business to your fellow members and their contacts.
- You will gain exposure to other business women and be able to exchange ideas on how to grow your business and learn from their success and experiences.
- If working at home alone, this offers a friendly and encouraging environment to stimulate your mind.
